Verge Herald Extraordinary

Culture (A French heraldic title based on the primary word "verge") most important.
Meaning (Meaning is paramount, verge is defined in documentation) most important.

Submitted through Wiesenfeuer

Verge - The Oxford English Dictionary, Online Edition, Reviewed on January 28, 2013. Etymology: <Old French (also modern French) verge (=Italian verga)<Latin virga

Definition 4.a. A rod or wand carried as an emblem of authority or symbol of office; a staff of office; a warder, sceptre, mace.

Four citations are listed in the OED dated from 1494-1602. Printed copies are included and the examples are attached:

1494 - In Collection of Ordinances of the Royal Househould - 1327-1694 (published 1790) page 124. "The abbott to take to her scepter and her verge to her hand."

1514 - in H. Ellis Orig. Lett. Eng. Hist. (published 1827) 2nd Ser.1.251 "The said Cardinall..delivered her the Scepter in her right hande, and the vierge of the hand of Justice in her lyfte hand."

1566 - W.Adlington tr.Apuleius. XI. Bks. Golden Asse vii.f.10v, "I pray you tell me, what meaneth these seruitours that follow you, & these roddes or verges whiche they beare?"

1602 W. Segar Honor Mil. & Civill Iv. viii. Page 218 "To this degree of Archduke belongeth a Surcoat;..hee also beareth a Verge or rod of gold."

Form of title - This title is taking the form of a heraldic title derived from a blazonable heraldic charge as noted in the online article "Heraldic Titles from the Middle Ages and Renaissance: Standard Forms by Origin and Country" by Julia

Smith (Version 2.6, updated 12 March 2011) viewed on January 28,2013. Copies of Pages 1, 4-5 with URL attached.

Herald Extraordinary - is the form of title granted and a form in use in the Society and College of Arms.

Change for Authenticity - It is the preference of the submitter that a change for authenticity to a French form of the title be registered, if possible. If this involves a translation of Verge Herald Extraordinary to "Verge Herald Extrordinaire" or a more appropriate translation or with a slightly changed period spelling of Verge, that would be welcome and acceptable, even as a major change. If, however, there are questions concerning translation not possible to resolve for registration, the preference would shift to registering an English form rather than have a return. In all cases, the use of Verge is of paramount importance to the submitter. If a change to French involves any gender specific wording, male gender is preferred.

Right to Register - A copy of the sealed statement from the Star Principal Herald granting the title and documenting the consent and knowledge of the King and Queen of Ansteorra is also attached.
